“ It's been almost two years since Ricky died. I want all of his friends and newer family know that his daughter and ex wife know that we started missing him when he left us. Tammy was the classic daddy's little girl.

She loved and missed him years before any of you did. I miss knowing that he was alive and well because of Tammy. He now has a great grand daughter. I'm sure Tammy will tell her about him and how much he would have loved her. We are glad all of you loved him and share all of your good memories of him.
