Rita is survived by her son John Allen Drabek & wife Gloria of Sugar Land, Son-in-law Donnie Marshall of Waterwood, her only grandchild Colby Drabek & wife Michelle, great-grandchildren John Henry & Adeline of New Taiton, brother Robert Cockrell & wife Linda of Natchitoches, LA, and numerous nieces and nephews.

Cockrell & wife Barbara, Jasper Cockrell & wife Mary, sisters-in-law Ella Bartos & husband Jim, Frances Reuther & husband John, Emily Motl & husband Ervin, Virgie LeCombe & husband LeRoy.

Rita was born in Corrigan, Polk County, Texas on May 16, 1932. Her parents believed strongly in education which led her to earning a bachelor's degree in business from the University of Houston. While working and attending school she met her husband, Johnnie, and the couple married August 22, 1955. They

built their home in The Hill neighborhood of Sugar Land in 1963 which she proudly called home until her passing. Rita has been a resident of Sugar Land for 70 years.

She began her teaching career at Lakeview Elementary as a substitute teacher, this is where her love of teaching began. She then decided to return to college to obtain a teacher's certification and master's degree in administration. In 1957 she began to teach 4th grade at Lakeview Elementary, where she taught for 16 years. She was appointed as their Assistant Principal in 1973. In 1974-1984 she was appointed Principal at Meadows Elementary School and served as the first female Principal in the district. In 1984 she was named as Director of Elementary Curriculum until she retired from FBISD in 1990. After retirement Rita served on the Board of Trustees for Fort Bend ISD for 10 years where she was honored to have an elementary school named after her. She enjoyed visiting and supporting the teachers and students of Rita Drabek Elementary which included helping with the annual school spelling bee and reading library books aloud in the classroom. She also thoroughly enjoyed being a part of the Delta Kappa Gama International Society for Women Educators, where she was a 58-year member & founding member of the local Lambda Sigma Chapter. Other affiliations include the Daughters of the Republic of Texas, Texas Retired Teachers Association, board member of Region IV Service Center for 6 years, Sugar Creek Baptist Church, and Merry Ministries Bible Study. In her spare time, she enjoyed going to her home place in Corrigan to gather with family and cook large meals, genealogy research, quilting, and visits from her great-grandchildren. Friends and family are left with wonderful memories and stories that will live on for many generations to come. Her kindness, strength, compassion, and wisdom will never be forgotten.

A special thank you to her caregiver, Amelia Murphy, for the exceptional care and companionship she provided throughout the last year.

“ *I helped in her first school board election and it was by the grace of God that she was elected because neither one of us knew anything about politics.
Rita was a great educator, great school board member and overall an outstanding person. She will be missed but there are many sweet memories!*

“ Rita Drabek was a very dear friend and colleague when we worked together in FBISD and later at Region 4 ESC, where for many years she mentored future teachers and principals. She is a true icon who had immeasurable, lasting impact as a teacher, leader and mentor for literally thousands of students and educators. She will be dearly missed, but her legacy lives on. Rest in heavenly peace, my friend.

Rita Drabek was an exceptional education leader, a woman of great intellect, wisdom, and strength, a caring person, and a dear friend. She was a member of the Region 4 ESC that hired me as executive director and I was a better leader and a better person because of her mentorship and support. Even after she retired from the Board, she continued to share her insights and support and I will forever be grateful to her. To her family, I know that you realize what a remarkable human being she was. I send prayers for peace and hope that the great memories you have will bring smiles in your grief.

“ From the time that Rita and I were fourth grade teachers at two of the three elementary schools in FBISD (Rita at Lakeview and I at Wilcox) fifty-seven years ago, I was blessed with her friendship. She was an inspiration to me and so many others over those years. May she now rest in peace after a life well lived.

May Rita Rest in Peace. She hired me in 1974 in my 20's as her first bilingual teacher and she was a wonderful leader. Later on at retired educators meetings she always told others that she and I went back many years. Please accept my condolences.

My condolences to John and the rest of the Drabek family on the passing of Mrs. Drabek. I never had her as a teacher, but I understand she was a good one. When our paths crossed in the past, she always spoked and asked about my parents. Very friendly. May she always rest in peace. Travis Gandy

Rita Drabek was a family person first, then an educator. Between those two roles she was everything else in the community. Her role as friend to students, staff and parents in the classroom and school took her time and talent. Her example to the community will last forever because she taught us how to work and live together.My dear friend leaves precious memories.
