“ *Rob and I met in the early 80s at Southwest Rifle Range. We all had “normal” jobs but worked at the range on the weekends to pay for our shooting hobby. Rob and I became close friends. We would go to San Antonio Rose after closing the range and stay longer than we should. We both worked as reserve officers at nights. I took a direction in working in a technical field and Rob went on to become full time and proceeded to dedicate his life to law enforcement. Rest well my friend. You have earned it.*

Please remember these words of encouragement from the Bible: “ Jesus plainly told her: “I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life.” —John 11:20-25.
