“ *In November 2018 I drove up to see Mort (my grandad) for a visit, I believe he was 91 years old at the time. I had just run the New York City Marathon and was in great shape, so I thought it would be fun to challenge Grandad to 9 holes of golf.*

He accepted the challenge and proceeded to outdrive, output, and outplay me by a large margin! That was the last year he golfed, and he still had strength and control enough to beat me, it was humbling and fun. Thanks for the amazing memories, I love you Grandad.
