“ Frank & Brenda,

There are no words to express the deep heartbreak that we feel for you both. Y'all showed your love to Brad daily in your words and actions. Brad was very blessed to have you as parents. I pray that God our father would send the Great Comforter to you in this dark time and remind you that He is there to steady you, hold you up, and carry you any time you are weak. May your precious memories bring you peace and eventually return your joy, and may you celebrate knowing that you will be reunited in Heaven one day.

“ Brad,

You were my other brother. Growing up with you in the neighborhood was always fun. From wrestling to running from the golf range guy. It was always a blast. We always had fun at Astroworld and it was because of you I rode all those rides when I was scared. I am going to miss you and I wish we kept in touch more and you had a chance to meet my family. Well you are in a better place now, so rest easy and watch over your family. See you on the other side. Go Cougs!

“ Dear Frank, Brenda and Family,

I am truly saddened by Brad's passing. I remember when Brad use to come to our home on Land Grant and Deaf Smith to play with Larry and me over 25 years ago. Brad was such a sweet and great person. His passing will not only leave a void in our lives, but in the hearts of everyone who knew him. Brad's memory will always remain deep within my heart.

My sincere thoughts and prayers are with you and your family.
