“ *When my family moved next door to the Brenners, I was so pleasantly surprised to find out Bob was an alumnus of my university, Ohio University. We shared many memories of our time there and it helped us bond better. RIP Bob.*

“ I knew Bob when I joined Fluor in 1977, he was the department manager at Fluor Ocean Services and since then we crossed path on projects, many times during the years at Fluor and Litwin. He was a dear friend and a helpful neighbor. As a manager, he would come to our offices to offer help. My son Aqeel bought his old red Chrysler to use at UT Austin, that is when we learned of his vast knowledge of Automobile engines. He would also share helpful gardening tips on Roses. Around his house one would see his meticulous work of perfection. At work, he was also a perfectionist. May his soul rest in Peace in Heaven and may God grant Mary Ann and the Brenner family the strength to bear this untimely burden is our prayers to Almighty God. Good bye Bob!
