“ Robert- you were one of my best friends in the whole wide world and nothing or noone can take away all the memories we shared. Trips to austin and our crazy selfs all around houston... dressing to impress and bringing light into everyone who we met lives. your memory will never die because you did so much for everyone in the short time we had to enjoy you. Audrey i remember your brother always having to run to come kick your butt for getting in trouble at school. he loved you very much. and after having met you i know why! i see so much of him in you and am so happy that a piece of him will always live on. Theresa- you are an incredibly strong woman and i look up to you in so many ways. I remember your phone calls to robert kicking his butt for anything and everything. ha ha. i love all of you so much and i pray and hope for only the best for us all. Robert you forever changed my life and i will always love you. RIP my love.

“ How i wish i would have been able to see you one last time, my only hope is to see you in heaven.
Robby i miss you, you and me could never stay mad at each other. We would get mad in one class and by next period you had to say something dumb and make me laugh and we would be ok again. The picture of you laughing will never be forgotten. This only shows God only takes the best!

All of us here at LCISD in the Research & Accountability Dept. are deeply sadden to hear about Robert. He was our co-op student his senior year at THS. He was a great worker and a super nice guy! He was also a very thoughtful and generous young man. He spoke of his family often and with much love and dedication. We pray God will comfort you all during this difficult time.
