“ I will forever miss my friend Bob Denman. Every year Bob and I would put the NCAA bracket together, even though we didn't win, but fun was had by all who participated. We're gonna miss Bob coming to our spring BBQ every year. Bob always brought Italian food, it was so good! So for now I'll say farewell to my good friend, BoB Denman.

“ Bob loved his music and the Cowboys! He was a father that was so involved with his kids when they were growing up. I remember that they always traveled with Heather and her softball. We were neighbors for about 10 years and there was never a full moment. Bob...you will truly be missed. God Bless you!

I worked with Bob 2015-2019. In those 4 year I had lunch with Bob every day. We would talk about family, the Cowboy football and solve the problem in the world. He came to be a good friend and we both were from the east coast so we talked a lot of our homes. We will miss a great man that would put a smile on my face.
