“ Robert was not just my uncle, He was my father figure. I told him everything good or bad. He was there for me whenever I needed someone even if it was just to listen. He taught me how to drive, We took Saturday day trips to San Antonio just to go eat at his favorite restaurant and listen to live music. We had lots of adventures together. I gonna miss texting you every morning. I'm still in disbelief that you're gone..I will miss you dearly 😞
