“ Rest in Peace Grandpa. From the times You and the family shared in your apartment , and the times we shared in the nursing home together watching Gas Money and movies, to the times we spent with you in the hospital, you were always in a good mood when you saw your family and when we brought you food. Thank you for being their with us and making memory's with us. You had a good life, but when it is your time to go it is time to go, even though you are in a better place and you are now with your son Zachary in heaven, you will be dearly missed. Rest in Peace Grandpa Robert.
