“ *Dear Donna,
I am so sorry for your loss. Like I know so many have shared with you, Lee held a special place in so many peoples heart. We were great friends in high school because he was wonderfully sweet, genuine, sincere, and caring. He was one of a kind. On seeing him at reunions you and your children were all he could talk about. You were adored. My prayers are with you and your family. My Condolences' Michelle Broussard Stone*

“ The Lord blessed me with 3 beautiful children. Russell, Sherri and Lee. Sherri and Lee are together now, with their father. Celebrating their love for their Lord and life. I cannot describe the pain and disbelief of this event. Lee is gone. I keep waiting for him to show up. Bless you my children. Russell and I will keep the faith and see you again. Love, Momma

“ Dear Phillips Family, I knew Lee when I worked for his dad, Phillip at LCE in Westlake. Lee was just a young man then graduating from high school. From the condolences written I can tell that he grew into an amazing man and touched many lives. Sending my deepest sympathy to all of the family.

“ Donna, it was such a pleasure to know and appreciate Lee, he was such an accommodating person. He was our own "unofficial deputy" always looking out for his neighbors in River Forest, especially in the Estates. His warmth and smooth personality made him so approachable. He will definitely be missed. We will have you and the family in our thoughts and prayers. You now have an Angel looking over you. God Bless you. William and Gloria Quintanilla

“ Lee, will be greatly missed by so many many people who are honored to call him a friend. What a blessing he was to everyone he met. I will never forget his generous spirit, his willingness to share his love of our Lord Jesus Christ, and his love for his beautiful family. Though sad and heartbroken because of his too early death, I am determined to not live as one with out hope, but rather in joyful gratefulness to Jesus for allowing my path to pass with such a great man. Love and prayers to his family, robin and family

“ Lee and I were childhood friends at First Baptist Church of Westlake, LA. This is sad news, but it is a blessing to see how well he did with his 52 years on this earth. Now, his faith is sight and he is more alive than he was in this life. I pray comfort for his lovely family.

“ The world is a different place now that Lee is gone. He had such an impact on everyone he came in contact with. As one of my son's said, God must really need him badly up there to take him away from us so early. Rest in peace my dear sweet friend. Until we meet again

“ Our thoughts and prayers are with the Phillips family. As a new neighbor I was only getting to know Lee. It was easy to see he was a special person. I wish I had gotten to know him better. I share his victory of sobriety myself. The Hart family is available for anything the family may need. God bless this family.

“ We have lost a truly good and loving man. Lee will be missed by everyone. I am sorry for the people that had not met him yet as they too would have felt his love and compassion. We will miss hearing his motorcycle pull into drive and him just walking in and sitting on the couch to "chill" a bit with us. I know I am a better person for having met Mr. Lee Phillips.

“ Phillips family, I am so sorry for your loss. Lee had a way to make you feel as you have known him a lifetime. That is a gift not many people have. He spread a great amount of joy to me on the occasions he would stop by the field even when his kids had graduated. He has left a legacy for many on how to treat people with kindness which is the perfect way to honor Lee. To use his example and treat each other that way. I am out of town but You are very much in my prayers. Taylor I am easy to find when you need me. Still here!

“ Donna, We are all so sorry to lose Lee to us. He was a great man and friend. It was good to see he and Taylor a few weeks ago at a charity clay shoot. It reminded me of our dove and duck hunts with the boys, especially the one outside of San Antonio. We will miss Lee, his huge smile and wonderful laugh. We are sorry we won't be at the funeral. We will be in Louisiana for The funeral for Cheryl's dad. With sympathy, Winn

“ Our heart goes out to you Donna and the kids. This is a big lost for all of you. Only one Lee Phillips, they don't make them like him. His kindness, his smile and his wonderful compassion for life was one of his greatest gifts about him. Always made you feel good with his great sense of humor. Our prays are with the Phillips family always.

“ Donna, Courtney, Taylor & Bailey, and all the four legged babies too..

It's difficult to find the words to adequately express how deeply sorry we are for your loss. Lee was such a special man. We were blessed to have known such a kind, generous and genuine person. It was so evident how much he loved each of you. He had a way about him- he completely engaged with whomever he was with. That is rare these days, and I would suspect that is why there are several people that share the same gratitude to have called him friend. We are so thankful to have known him and to have witnessed his great love for God, his family, and for life. Heaven has gained a bright, shining soul. Please know that you will remain in our prayers. With Much Love, Alica & Dack
