“ *It is with great sadness that I received the news of Robert's death on January 3. I first met Robert while researching the Spacek Family genealogy, and discovered the annual Spacek-Orsak reunion in Rosenberg. Through Robert, I came to reconnect with my great-grandfather's F.J. Spacek brother's descendants and to know many second cousins. It was through Robert's efforts that many of Jan Petr's descendants have attended the Frantisek Jan Spacek of Bordovice Reunion in Fayetteville annually. His kindness, gentleness, dedication to his beloved wife and family, and to his extended family and its reunion will always be an inspiration to me, and his memory a great joy. May he rest in God's Loving Presence, and may his family draw comfort in looking forward to the Eternal Family Reunion that will never end, according to God's plan.*

“ Your family has suffered a great loss. We enjoyed knowing your dad and always knew he would be smiling and happy when we would run into him at the football games, always in the same seat location! A link with local history is now gone, but he will be remembered warmly by all of our family.
