“ *Dear Ernie. Our deepest sympathy for the loss of Rogers life. Our prayers go out to you. We were saddened that Sunday's services were cancelled we had made plans to attend but I certainly know it's a very difficult time for all. As kids growing up together we had such great memories of fishing on the jetties and cooking on the beach we always had a blast with our families. Ernie take of you and God Bless. Love always your cousin Rita Villarreal and family.*
