

## Ronald Allen Brock

December 9, 1973 - September 5, 2021

### RONALD (Ron) ALLEN BROCK

An avid fisherman and lover of nature and the outdoors, Ronald (Ron) Brock passed away in Rosenberg, TX, after his valiant struggle with a lengthy illness. As his life ended, he was surrounded by loving family and friends. Ron was born December 9, 1973, in Houston, TX, and passed away on September 5, 2021.

Ron's pride and joy was his son, Sebastian, whom he enjoyed teaching to fish, play basketball, and cook. Summers entailed fishing in Matagorda (Sebastian often caught the biggest fish), watching movies, and going to their "secret park with the secret tree."

Ron was an all around guy, and had a deep bond with his friends, many friendships lasting thirty years. He loved the peaks of Colorado, as well as sitting in his own backyard, "his piece of the world." He could be just a man with his dog, or the fisherman in a boat out on the water. His Grandpa Whiskers instilled the love of fishing in Ron at a very early age.

Ron had an early career in the service industries before joining his stepfather, Dr. Larry Wilkinson, in his optometric practice, Vision Trends Eye Care in Rosenberg, TX. While there, Ron led the Optical Department for over twenty years. In his free time, Ron's passion was to fish and travel, or even "travel fishing!" His trips to the Texas Gulf Coast, or Mexico, or Colorado would

somehow always involve the rod and reel. He had many loving friends who shared this passion. He enjoyed his ability to speak enough Spanish to experience the freedom that afforded him in Mexico. Ron also enjoyed cooking and providing tasty delights to his friends and family. Of course, spicy hot foods found their way to his culinary specialties.

Ron is survived by his son Sebastian Brock of Urbana, IL; parents Dr. Larry and Linda Wilkinson; and stepsister, Taryn Wilkinson Jones. He is also survived by his aunts and uncles, Tommy Brock and Maddy; Ronald Brock and Agnus, Lisa Brock, and Patricia Wilkinson Schraub and Phillip, as well as numerous cousins and nieces and nephews.

A special thanks to Uncle Tommy and Maddy for the support they provided to his parents during Ron's illness. Ron is also survived by his godchildren, Valery and Santiago Enriquez. Ron was preceded in death by his grandparents, Fred and Elsie Brock, and Dr. Jack and Helen (Tot) Wilkinson, and his Uncle John Brock.

The family would especially like to thank Jesse and Krystal Enriquez , for their unselfish attention to Ron at his most uncertain time. Jesse was a gift of strength beyond call.

Special thanks also to Victoria Rivas, who always provided support to "her little brother" Ron, both before and during his illness.

For those wishing, memorials may be given in Ron's memory to Rosenberg Richmond Helping Hands at <https://roserichhelpinghands.org/?giveforms=donation-form.>, or donations can be mailed to RRHH at P. O. Box 1268, Richmond, TX 77469.

“ *The best part of getting my annual eye exam was getting to visit with Ron while he helped me choose new frames. He was always so happy and full of life. Ron loved my fruit pizza and I enjoyed bringing it to him. He will be greatly missed, but I know he is laughing and fishing in heaven.*

“ *So many awesome memories with Ronnie! He was an amazing presence to have along with all of our Split tours. So positive and loving. It really saddens me to not be able to make his ceremony. I'm sending much love and hugs to all involved in this mans life. He put many smiles on many faces, and much laughter to go along with them. He will be greatly missed. Love you all!*

*Always a big smile, a big hug, full of love and positive thoughts. That was Ron! I was lucky to taste his fabulous fajitas while fishing at Matagorda with family! I had to get the recipe, but could never duplicate it quite like Ron's. He was special. There was just one Ron; God broke the mold after making this wonderful cousin of ours.*

“ Conocí a Ron en noviembre 2018, sólo por internet, en diciembre del mismo año vine de Monterrey México y nos conocimos en persona, desde entonces nos enamoramos y llevamos una relación de pareja...ambos disfrutábamos de salir a comer comida India y sushi, el disfrutaba los platillos de comida mexicana que preparaba en su casa, a veces él cocinaba comida "gringa" para mi (él así decía) muchas veces lo acompañe a disfrutar su pasión que era pescar, me decía "mi morena"... conocí a muchos de sus amigos aquí en Texas, como en Colorado, sus padres siempre han sido amables. Decía que yo era la "mamá' de Journey su "perrhija🐶" y él su "papá", cuando salíamos solía decirme tu conduces...le gustaba salir a carretera, siempre fue tan noble y su español cada vez iba mejorando, nunca el idioma y las nacionalidades diferentes fueron impedimento para vivir momentos felices. Lo acompañe por mucho tiempo a sus visitas médicas, estuve a su lado en los momentos difíciles de su enfermedad. Doy gracias a Dios por permitirme conocerlo y ser la última mujer que estuvo a su lado, fui su prometida, pues me pidió matrimonio 💍... Me está doliendo tanto su partida y ruego a Dios que de pronto consuelo y mucha fortaleza a la Sra. Linda y al Dr. Larry Wilkinson. Ronny siempre te voy a llevar en mi corazón, en mi mente y en mis recuerdos, porque te metiste en ellos para siempre! Descansa en paz "MI GRINGO".... 🙏🌹

“ Ron changed our lives!! We may not have always got along 100 percent but we always had each other's back. He always looked out and loved my kids!! The conversations we had were always about something of life value, some could say a waste of time. 😊 Either way he was definitely like a smaller but older brother to me and he taught me to "LIVE LIFE" and experience new things. Just love on them kids for him!!! Smh....crazy your gone bro....But now atleast you don't have to deal with the bullshit!!!! Love you bro!!!

“ I met Ron through Dr. Ogletree’s FB page.  
Ron always wanted to go eat Sushi when I come to Houston. I sent him & Sebi little gifts from Japan & we promised to do “ Homemade Sushi Party “ at his house.... I had breast cancer surgery in 2017, Ron kept calling me to cheer me up before the surgery. He even gave me his power stone. Thank you for everything, Ron. Keep thinking of you & Sebi from across miles. And will promise to come to see you when the Covid-19 issue over. RIP my friend...
