“ *My sincere condolences to the Lee family with the recent passing of Mr. Ron Lee. I had numerous presentations before Commissioner Lee at the Missouri City Planning and Zoning Commission over the years concerning various commercial developments of mine. I always experienced a very even handed decision process with Commissioner Lee as Chairman. He lent a great deal of knowledge and experience to the Commission and always was able to balance the interests of Missouri City, the Developer and Missouri City residents.*
He will be missed.
