

Rory D. Tennet

May 30, 1982 - June 26, 2011

A Memorial service for Rory D. Tennet, 29, of Richmond, Texas will be held at 2 PM Friday July 1, 2011 at Davis-Greenlawn Funeral Chapel in Rosenberg.

Rory was born May 30, 1982 in Slidell, Louisiana. He passed away at home in Richmond June 26, 2011.

Rory was preceded in death by his sister Ashleigh Tennet and his grandparents Fred Ford, Pat Tennet and Ida Tennet.

Rory is survived by his mother Darlene McCall and his step father John McCall, his grandmother Yvonne Ford, and by his father Paul Tennet and his step mother Lindy Tennet, sister Lauren Tennet, his brother Parker Tennet and his step sister Sarah Selvaggio. Rory is also survived by his beloved aunts, uncles, cousins and by a host of friends.

Rory was a generous, big-hearted young man always ready with a smile and a helping hand. He had the soul of an artist with an unrequited passion to express himself through images and objects that spoke to all of us of his talent and creativity.

Rory's physical presence will be missed but we all know that he will always be there with all of us. From time to time you may catch a glimpse of him in the

face of a stranger on the street or hear his laughter from another part of a crowded room. Somewhere, sometime, something will spark a sudden recollection and he will be there with you again in memory and you will smile at the sudden recollection and then be saddened that you cannot share that feeling or make it last past the moment.

Rory will be greatly missed by all of us friends and family until that future day when we all meet again. Until that time look for particularly beautiful sunsets full of whimsical patterns of light and color think of our friend and brother smile and shed a tear.

You can express your condolences through Rory's Facebook page or through www.davisgreenlawnfh.com . The messages that have been shared have been of enormous comfort to Rory's family and friends. Please continue to share.

“ Hey Rory...I still miss you every single day, and there is a Rory-shaped hole in the universe and knowing that it's there still hurts after all this time. If I didn't say it enough when you were alive, I love you and I really do still see your face in the crowd sometimes and I really do think of you when it's a beautiful day or in moments when I know your face would light up and make you laugh. I think all your life you were painting pictures of wherever you are now, some weird-ass dimension between space and time and you're just floating around in all the colors and finally, you're at peace. ~Lyla

“ Our deepest sympathy to Rory's parents, family and friends at this sad time.

We have fond memories of Rory visiting our home during his high school days with his many friends who still remain bonded from their time together.

Against our will we are created, against our will we are born, against our will we live and against our will we die. It is all in the hands of HE who knows why.

“ Thank you for every moment we shared; never a dull moment spared! Visiting home Houston will never be the same. not one person could ask for a better friend who would always be there through thick and thin to lend a hand in anyway possible. Your inspirations, expressions through your amazing art, and just hanging out skating or talking will forever be remembered and cherished! the support you gave with your guidance and advise or lending an ear to vent to for me, my brother, and family will continue to help through this difficult time without your physical presence. We Love You! And will always be missed by everyone you touched.

“ Paul, Lindy, Lauren, Parker,

The Love and Memories of Rory that we shared will be there always...

God is with us in our grief and sorrow.

For Rory:

DEATH IS NOTHING AT ALL.... I have only slipped away into the next room...

Whatever we were to each other, that we are still.

Call me by my old familiar name, speak to me in the easy way you always used.

Put no difference into your tone; wear no forced air of solemnity or sorrow.

Laugh as we always laughed at the little jokes we enjoyed together.

Play, smile, think of me, pray for me.

Let my name be ever the household word that it always was.

Let it be spoken without effect, without the ghost of a shadow on it.

Life means all that is ever meant.

It is the same as it ever was; there is absolutely unbroken continuity.

Why should I be out of your mind because I am out of sight?

I am waiting for you, for an interval, somewhere very near just around the corner...

All is well

“ Darlene,

All of my memories of Rory came flooding back when I heard the news. I have so many memories of Rory and Ryan together starting from the time they were in preschool, summer camps, the middle and high school years, and then college. I know that they had a very special friendship.

Rory will be greatly missed by so many. He had so many gifts and will always be remembered by them, especially his artistic talent.

I am so sorry for the pain that you are feeling. Cling to your memories of Rory and the many people that care so deeply for you. With God's help, you will make it through this difficult time and will one day be with Rory again.

“ My condolences to the Tennet family and friends. I am so sorry for the loss of Rory. My thoughts and prayers are with each and everyone one of you. I hope that God can grant you some peace and comfort in the days to come.

I first met and got to know Rory in middle school when my family moved to Pecan Grove and my brother Josh and I started attending the summer camp at Hammond Ranch. There we created so many wonderful memories with Ryan Hubbard, Steven Long, and I'm sure many others that I cannot recall at this time. I will always cherish those worry free summer adventures with all of you!

Hold on to the many wonderful memories that you have of Rory and his precious time here with all of us. May these memories keep him alive and help comfort you.
