“ i went to work at Texas Commerce Bank in 1964 as a young 19 year old. Rosa was such a role model and an inspiration. I wanted to be like her! I am thankful we had women like Rosa to follow.

“ Rosa and Bolte moved into the house across the street from me and my parents, Dallas & Christine, when I was about 10 years old. They were both such good, old fashioned neighbors and down to earth folks, that our families naturally hit it off. Many a Friday night we all went out to dinner at the Ranch House by Hobby Airport, or a steak house, to enjoy a meal and heart felt fellowship. My mom and Rosa shared their birthday of March 26th, and that was a special bond they often celebrated together. Both my parents have now passed on, but I will, always remember Rosa and Bolte with love and affection

“ I knew Rosa through my mother, Edna Ligon. She and Rosa worked together for many years at Texas Commerce/Chase and were both friends and business associates. Mom has been gone for many years but she thought a great deal of Rosa. My wife and I are out of town and will not be able to attend the service but wish to extend our condolences as well as our prayers to the family.

“ Rosa is one very good reason why I'm glad I worked at Texas Commerce Bank. She was very nice, of course, but she went out of her way to teach a non-banker like me what a bank is all about -- people!

“ My condolences to all the family in your loss.  
I worked at Texas Commerce Bank downtown 1965-2001 and remember Rosa. She was a smiling, friendly lady, always willing to help you. If an employee had to go bookkeeping dept., you were told "ask for Rosa."

“ Mrs Bolte was one of the sweetest ladies I have ever known. In the last few months I often visited with her at Cambridge, where my Mom was also a resident. She was always friendly and loving. Rest in Peace, Mrs Bolte and catch up to mom in heaven, she is about 5 days ahead of you up there, where there is no age, no pain, no sorrow: only God's shining and embracing love. I love you, Frances
