“ Bobby,
When you lose someone you love it is never easy. I know how much you loved and cared for your mother. Although I did not know her well, from the wonderful words I have heard about her, I know she loved you with all of her heart. I know that her and your dad are extremely proud of the man that you have become and will forever be looking down on you and your family. If ever you need ANYTHING know that I am always here for you and Ashley. I love ya'!!!

“ Robert, in a way I'm your big brother! Your mom and dad just about raised me in the 60's. I know how much your mom and dad wanted you. Sometimes I would call them & ask what they were doing and without batting an eye your mom would say "Still trying to make a tri cycle moter". Anton & Ruby lived nextdoor to my granny's house when I lived with her. Call or write me @ any time. Day or Nite. I loved your mom & dad VERY much! Ever your friend Billy Crawford
