“ Do not stand at my grave and weep, I am not there, I do not sleep. I  
am a thousand winds that blow. I am the diamond glint on snow. I  
am the sunlight on ripened grain. I am the gentleness of autumn  
rain. When you wake in the morning hush, I am the swift, uplifting  
rush Of quiet birds in circling flight. I am the soft starlight at night.  
Do not stand on my grave and weep, I am not there, I do not sleep.  
Do not stand on my grave and cry, I am not there, I did not die!
