“ I know Uncle Ross is now with my mother and the rest of the brothers,sister, and family members who had previously left us. I pray that God will ease the loss & pain you all are feeling right now. My mother has been gone a little over 5 years now and you never stop missing them. However knowing they no longer feel pain and the fact that you know they are in a much better place with our God, does bring you great comfort.
Love you all
