“ Rosie was a cousin we all enjoyed being around growing up we didn't see each other a lot but family was very much important. As our grandmother passed the family separated more. We always greeted with a hug and a smile we could talk for hours. On our last visit she brought up let's have a family get together i told her count me in.

You will always be in our hearts cousin.💕

“ Rosie was my former mother in law. but never treated me any different. She always treated me like family. Like a son. I will miss her dearly. I lost my mother at 18 and in part she filled that void. Now with her passing I feel as tho I'm losing another mother. But she will forever remain in my heart and fondest memories. May you Rest In Peace.

With Love

Rosie was not just a sister in law but the mother of my beautiful nieces. The memories she has left in my life will forever be with me. But most of all these past few months that i got to spend some time with her and had a chance to see her smile and was able to spend time talking about how happy she now was and how she loved her husband. David. Will forever be family to me and i send my most deepest condolences to him and all the family. The beauty of my memories with her are precious. May she rest in peace. I will never ever forget her. She was family. She was like my sister. I am heart broken .but i know shes now at peace.
