“ *Darrel,
Betty and i first meet your parents when we purchased our home on corner of Austin st and Union st. They brought us two pecan trees as a welome gift. I planted them on the Austin st between our driveway and Union st., thinking back that was in 1985. When ever we are in that area we will drive by and trees always brings memories back of your parents. He was truly a great gentleman. Betty and i send our sympathy and prayers. When you drive by 9119 Union st. you can look the trees as a reminder of two wonderful people that had an impact on lot of others.
