“ I worked with Roy for many years. I use to love and hide his pipe from him. Would sit back, watch him scratch his head looking for his pipe. He would look up, see me and smile

“ Roy was always one of my favorite cousins and he brought so much joy to his family and everyone that he came in contact with. He always loved to joke around with people and when I called him to wish him a happy 80th birthday he laughed and said that I soon would be joining the club as I would turn 80 in November! We shared many happy times together and Roy will be dearly missed by everyone that knew him. My thoughts and prayers are with Betty and the family as you face the difficult days ahead of you. Love,  
Cousin Sharon Jo.
