“ It's hard to believe Ruben is gone. I never had the opportunity to know him outside of work, but you learn a lot about a person being around him daily. Ruben was great with people, which served him well in business. More importantly, he was well liked by all who crossed his path and was loved by many. I will miss him. Our thoughts and prayers are with his family. God bless you Ruben and RIP.

“ *Fond memories of Ruben as a coworker at Air Cleaning Technologies...a very kind and gentle soul, big smile, quick to help & encourage others, wonderful sense of humor I'm thinking of Amy's boots with the unusual toes & can't remember which one of the two names Ruben gave them--the corner roach stompers or the fence climbers My sons & I were fortunate to be able to puppy-sit for a 12-week-old Valdez beagle named Bailey several years ago when Ruben & his family went on vacation. I remember him saying that he bought her because the pet store was next door to where Molly's birthday party was being held, & the puppy was on sale, as if we wouldn't notice that she was the cutest thing ever & Ruben already had her spoiled rotten. Be at peace, dear friend. You are one of the best, and you will be greatly missed. Deepest condolences to his family.*
