“ Dear Curtis and family,
Ruby was so special to us, as are you and your family. How fifty plus years as neighbors seems to have passed so quickly between our homes and our friendship. Ruby and you have always been there for us, comforting, guiding, caring in good times and bad. Ruby was a dear friend, the kind of friend you could trust and rely on, tell anything to and always respect her opinion, she was never shy about voicing her opinion which made us love her even more. It will be sad to look out our window's knowing Ruby is not there with you, so we'll look up to the night sky above both our homes, Ruby will there, a new star, shining ever so brightly as she did in our lives. We love you, Jackie and David
