“ *Junior, Janice, Debra, and Vicki Renee:*

I have thought of your family thousands of times over the years, and the fun we used to have. The downtown Christmas parade you took us to, the Christmas tree you brought us after my mother died, the rides in your big Buick, and so much more. Ruby was such a happy person and made everyone around her happy. She loved her family so much and I will remember her laughter always. I am so happy she was in my family for so many good years. My love and sympathy to you all.
