“ I had the pleasure of working with Mrs. Marsh at Polly Ryon, she knew more about newborns than anyone I ever knew. She was there when I had my daughters, and I was so thankful. I knew they would be well cared for. She was an absolute joy to work with. I still remember so many of the good times we shared. She was an angel.

“ hello Rebecah, I hadn't thought of your mom in years til I saw the obituary. She is still as beautiful as I remember. My mom was Gladys Lukas..her friend. My brother Gary and I would come visit when we were kids. Mom and Dad have been gone 10 or more years so I just assumed most of her friends were gone on already. I am very sorry for your loss. We appreciate them more after they are gone. We realize their value in our lives. If you ever want to reconnect..call me 832/344-8921 Carolyn Prazak.
