“ Dear Primo,

There are no words except:

Your face. Your smile. Your jokes. Your laugh. That ponytail. Your embrace. My last hug before your last ride. Born to be wild. Born to be free. Born to ride. Born to love and to let it be. To the good times, Cuz, even if they were because of some bad times. Until we meet again, Rest in Peace.

"When I got the news that day/ I didn't know what to say/ so I just hung up the phone...." -Luke Bryan

Lord, may your Angels surround Rupert's children & his family so that they may seek You & your Word for comfort, healing, and peace. Amen.

“ I met Rupert through my sister Janie, She introduced him to me and my wife and we were friends from than on. Rupert liked it out here in this beautiful part of Hallettsville, Tx especially the deer hunting, So he bought a place out here near me, he would come out and cut the grass and than he would enjoy the rest day with a Barbecue and we would have a few beers, he would leave the next day, but before leaving he would come say goodbye Well my friend i am going miss those Hello's. and those goodbyes! But my friend we will meet again some day , So until than Rest in Peace and Be with our Lord God .

“ I knew Rupert as a kid and also know his family. They are all wonderful people. I also had the privilege to work with Rupert since the time he started as a helper at the Light Company. He was always cheerful and happy with a positive attitude. He was smart and enthusiastic and when I needed help he would always show up and help me out. I knew when Rupert showed up, I had good help. I will always have fond memories of him and I know I'll see him again one day.

“ *It never failed, I would always end up seeing you somewhere along the way. You always had a smile & a hug for me. You lived the life you loved, time with friends & family, riding your bike, working so hard, ready to retire here on earth. But from one moment to the next, Our Heavenly Father allowed for you to be taken to rest in heavenly place instead. Rest in peace my cousin. I love you 4 ever!*
