“ *I feel honored to have known Russel for a few years prior to his death. He always seemed to be able to put a smile on my face with a joke, a crazy comment or just being the care free person that he was. Although we had not spoken to each other in a number of months, He and his family were often in my thoughts and always in my prayers.*

I'll see you on the other side Amigo!!

“ To the family of a dear friend, Russel Guerrero, I'm truly saddened by your lose. Russel and Sam grew up in my kitchen when they were attending Terry High with my son, David Blomstrom, now Dr. Blomstrom. I remember Russel as a very kind, sensitive, polite, and unselfish young man. Russel had 2 objectives in life; one was to make sure and never get in the way of his brother's dream to be a Navy Seal, and two was to somehow do something to please his mom. Russel was always willing to take second place and let someone else, especially his brother, shine. Russel, you were a great kid that grew up to be an honorable and faithful servant to God, father to your children, son to your parents, and husband to your wife. You did well and you will be greatly missed by many yet, you will never be forgotten because you left many wonderful memories behind. We will make sure that your wife and children are cared for. Ginger, David's mom on Foster Creek Drive.
