“ I knew Ruth a short 5 years or so, but I feel like I knew her all my life. I think that is what everyone says who knows Ruth. I am so blessed to be her friend, who was also my beautiful daughter-in-law's Mom. I don't want to speak of her in past tense because she is a living part of my heart, an example of "good people" whom everyone should want to be like. I will miss you, Ruth, but I will see you in Heaven one day.
