“ So sorry to hear of Ruth’s passing. We have such good memories of her when she was part of our family. I hope your memories will bring you comfort as well. I see that Mandy is now all grown up. We remember when she used to call us “Bite and James.” Such sweet memories.

“ Ruth was a lifelong friend and mentor. I was very young when she lived in Hastings, but I remember her so well. She was always full of fun. Ruth taught me how to tie my shoes and so much more. I still have the teddy bear she gave me when I was eight years old. No matter the distance, she has been an ever present force in my life.

“ *Ruth and I really related to one another. She was a great listener and had a generous heart. She truly wanted the best for everyone. I will miss her smile and her laugh. We met through Brazos Valley Schools Credit Union and even though we were in different offices, we spoke regularly.*

“ My beautiful sister, with her gorgeous red hair and temperament will be so missed. I learned so much from Ruth. Even as children, her quick wit and intelligence often got us out of trouble. Mom just couldn't keep on lecturing once Ruth got her laughing. Our childhood, however, was not easy for many reasons, but Ruth kept charging ahead and determined to follow her own path. What an example that was for me, her little sister! I hope she knew how much I admired and loved her. As adults, our paths did not cross as often as they should have, but even from afar, I found inspiration and insight through her. I wanted to share a few pictures of her that depict moments that will always live in my memory. I love you and miss you, Sister!
