“ The Jurek family used to live around the corner from me in Fieldstone. I can say from my heart Sammy was the most respectful and kind person. He knew his cars. He saved our family multiple times by doing repairs for us. I am sad that I just found out. His wife and kids are in my thoughts.

Sammy was and all around. Great guy! My prayers go out to his family. I just found out recently. I supported Sammy in obtaining his teaching certificate. He was a candidate I was so proud of because I knew the students had a teacher who is a treasurer, a rarity. I'm very thankful to have known and worked with Sammy. He was always a joy to be around.

“ I can’t believe you’re really gone. You were the automotive teacher who truly taught me something during my junior year (2023–2024). I’ll always remember the jokes you told, the wise words you shared, and the way you made class memorable for me and my classmates.

Even in my senior year (2024–2025), our small talks meant a lot. You were a good man, a funny person, and a great instructor. Even though we had our moments in automotive, I’d do anything to go back to Auto 1 again.

You’ll truly be missed.

“ My deepest condolences to Kelli, Sam, Dylon and families. Sam was loved by all. He would do whatever a person needed if it was within his power to do so. He never met a stranger everyone was a friend. He will be greatly missed.
