“ It is with much sadness that I learned of the passing of Sandra McNutt Sullivan. Live across the street from the McNutt family during my childhood. Sandra Kay was a good and positive person. Many great memories of the family, especially of Angela and Guy L. Additionally, have fond memories of Mrs. Joerger, Angela's mother.

*The Joerger-McNutt-Lindsey families are the best.*

“*Connie, as a friend of your mother and spectator over the years, I know how close you and Sandra were. You grew up with such loving parents, both of you un-spoiled, outgoing, loving women. Both of you always had a smile on your face, so warm and friendly to all. I have heard nothing but kind remarks about you both through the years. You have many friends in the community that will be there for you. You will miss Sandra greatly, but look forward to new life in the birth of her grandchild. May God bless you and watch over your family. My thoughts and prayers are with you.*

“*To all of Sandra's loving family:  
I was sooooo sorry to hear of Sandra's passing. She was a great friend during our growing-up years, and I will never forget the good times we had together. Even though we lived far apart several decades, we still felt close, and I will miss knowing I can pick up the phone, call her and say "Hello Sandra Kay" to which she would reply "Why, Hi, Peggy Maree". I will never forget her.  
I pray Jesus' presence is a reality to you all which will bring comfort in the days ahead and always.

“ I am so sorry to hear of your loss of Sandra. Sandra is part of who you are, of how you see the world, of how you live and give.

*Those priceless gifts are yours forever. Our loved ones leave the world but never our hearts.*

*I grew up with Sandra as well as double dated in high school. While riding horses one July 4, we managed to get into mega trouble when we mistakenly left open the cattle pen gate.*

“ Kathleen and family,

You will miss her. She stood for so many things in your lives. She was a role model to so many as a student, friend, a community-minded neighbor, and parent. In high school, she was always in the newspaper, leading the cheers at football games, waving from a float, or decorating for teen dances. She had so many loyal friends. She was a gift to all of you and you a gift to her.

“ I grew up idolizing Sandra my cousin; she's one of the main reasons I went to UT. Sandra was always friendly to everyone and always made me smile although when I was little, she convinced me that thunder was going to eat me—that makes me smile now. She loved her daughters and grandson very much; anytime we visited, she loved talking about each of them. I know she's looking down on us and waiting for the day her granddaughter joins us.

“ I was so deeply saddened to hear of the death of Sandra McNutt. We went through school together, lived a couple of blocks apart, and even dated a bit. We had some fun at Texas, because I would see her often. We remained friends until after our marriage, but over the years have lost contact. I remember her as young, fun, a great dancer, a lively cheerleader, and a beautiful presence. My condolences to the family...I assume her bratty brothers grew up into great human beings.....and hope they inherited the McNutt genes...My thoughts are with you.

*I have so many wonderful memories of team teaching with your mother. We always enjoyed our time together. I am so sorry to hear of her death, but what a blessing to die so peacefully. “ *My thoughts and prayers are with the family and friends of Sandra. Sandra and I were classmates and I cherished her friendship. Her smile and kind words were always uplifting. Sandra and I met at Hermann Park zoo and rode the train with our children when they were young. It was coincidental that we ran into each other that day so we made the most of it reminiscing. I will always cherish the memories of my dear friend, Sandra McNutt.*
