“ *What a joy it has been to visit Sandra at the nursing home the past couple of months since I moved into town. On behalf of the Immanuel Evangelical Church Family, we want to offer our love and prayers.*

“ *To her family and friends, I want to express my condolences. To know Sandra well, how do I describe her? I met Sandra through friends who were playing poker one night a week. Sandra opened her home to us so that we could have a girls night out and enjoy each others company. We talked about almost anything and everything(not going to tell). Sandra had a way about her that only her family and friends knew how to respond too. I heard that she had been sick and I wish I had gone to see her but I have no excuse why I didn't. I will miss her and I know that she will be missed by her family and her friends. May she rest in peace. I'm going to miss seeing the beautiful quilts that you made for so many people. Love you Lady!*

“ *I am so sorry to hear of Sandra's passing. What an amazing, hard working, fun lady she was. I had the pleasure of working with her at the elementary school and always admired her. My deepest sympathy to her entire family.*

May God Bless you all, Susan Brent
