“ *Santi, It feels like yesterday when we lost you. Everyday is a hard day without you. Our family has never been the same and we are doing our best to keep going in life without you. We think where you would be right now and the countless lives you would have made a difference in up to this day. You will be happy your brothers are Banditos too now and continuing what you would have done if were able to finish your Bandito baseball days. Not a day goes by I do not think of you and wish you were here with all of us. Your mom and I do our best but we cannot fill your space with what you would have brought to each of our lives. We love you always and forever and one day will be with you again. Hope you're enjoying the big baseball games in heaven and watching over us as you're our guardian Angel. Love you Pops!*

“ Dear Santiago Lorenzo Coronado, I miss you so much that it is unbelievable. why did you want to leave? I feel all alone with out you here. I would do anything to have you back. I remember all of the all nighters we had lol. or when we were in 5th grade we said that we were going to get married one day. well we are in 7th grade now and I still remember the 1st time I met you. I was at my brothers baseball game talking to Jordan and her comes this kid that looks like her is 17 but is really like 11 lol. you bought me a grape snow cone that day. its going to be really hard knowing I will not be able to see you wonderful smile anymore. these days feel like years without you here. you were always the only person I could talk about anything. you didn't judge me. you just listened and helped. I will never forget you. im sorry for all of these. I just wish I could have been there to help you. i cry almost every day because your not here anymore. but i know that you will be waiting for me and everyone else when its our turn to be with you. you are my inspiration to be a better person so that one day i can be in heaven with you. i love you Santiago. i hope you forgive me if i ever did anything to make you mad. please don't ever forget about me when you make all your new friends in heaven, and i promise every time that i think about you i will only think about the positive memories because i don't want to be sad anymore i just want to be happy when i think about you. so i guess this is not a goodbye but just a see you later.

“ We are connected my child and I  
by an Invisible cord..  
Not seen by the eye,  
It's not like the cord that connects us til birth,  
This cord can not be seen by anyone on Earth,  
I know it's there  
Though no one can see the invisible  
cord.. connected From my child to Me  
And although you are gone  
and not here..  
the cord is still there.. And No one can see as it pulls at my heart..  
I am bruised,I am sore, But this cord is my life line as never before..  
I am thankful that God connects us this way..  
a mother and a child.... not even death can take our love away..

“ Santi, I know you can hear me so I want to share this little prayer with you, your prayer:  
Jesus, because YOU live, I live. Thank YOU for loving me and thank you that YOUR word says YOU will never leave me nor forsake me! Most of all, thank YOU for eternal life with YOU!! Santi, you are without a shadow of a doubt in a far better place than anyone here on this place we call Earth. You reside in the place we can only imagine in our dreams! Paradise!!!! But in the meantime, be sure and watch over everyone who loves you and had the pleasure of knowing you as we know you are our angel here on Earth. We will miss you Santi but will always have you and your family in our hearts. God bless you young man! And to the family of Santi remember this:  
Lord, I know that in YOU I can have peace at all times... even when everything around me is chaos! Help me to fully believe and and walk in this promise from YOU!
