“ Such memories to cherish.....there have been a few....I am so blessed to have known you! My emotions are so scrambled now it is very hard to bring them all together. I will miss you dearly, you were my competition when I was dating Gary, use to get crazy mad at you! I love you and will always cherish my memories. You may not have realized, but you taught me some life lessons. You were a simple person who hid a thousand feelings behind the happiest smile, I will carry that smile with me forever.....

Love You Scotty!

Don't cry because it's over.

Smile because it happened.
