“ Although I never had the pleasure of meeting Sharon White, I know what a fine person she was through her son Cody. She would have been proud of him each day at school as he showed discipline and outstanding performance and a willingness to tackle whatever tasks were before him. As his English teacher, I could tell how much Cody loved and admired his mom, how important family is to him. And so, at this difficult time, I offer you who knew and loved Sharon White my deepest sympathies. May God carry you in the palm of his hand until you have the strength to walk beside him.
