“ There was never a more beautiful soul, so kind, loving, and giving of her time for others.

Sharron...I remember the first time I met you and so blessed to have had you in my life. I thought about you a couple of weeks ago and now wish I had called you. I should not have put it off thinking I could do it later. I was going through some things from some of our many adventures with Karen Kleist (The Go-Go Girls). You both are now together and I know one day I will see you again.

David, Sharron loved you and so much - she always was proud to call you her husband and she would tell us all the wonderful things you did for her. Even the last time I spoke with her she told me how awesome you were in taking care of her.

Stella, she was so proud to call you "Daughter" she could not have asked for a sweeter and kinder person.

Prayers for you all. Sharron may have left this world but I do know we all will be together again. What a Day that will be!
