“ Stacy,

We were very shocked to learn that your mother had passed away. I haven't seen her in a long time but everytime we ran into each other it is like we picked up where we had left off. Please look to God for support during these hard times and he will pull you and your family through. She will be greatly missed by all.

“ *I was saddened to hear of Shirley's passing. It has been along time since I spoke with her or saw her but it seems like yesterday that she was picking up Stacey at my house. One thing I know is that she was crazy about her children and would do anything for them. May the Lord comfort you and help you in the days ahead. Our love to you all.*

“ I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love.

Shirley will remain in our hearts forever and I will miss her dearly...

“ Shirley may be gone from earth, but she will never be forgotten. She touched lives and was a true friend. I love her dearly and will miss her. She was brave beyond words. When you look to the night skies and see the stars twinkle- you will know that Shirley is lighting up the night like she lighted up our hearts here on earth. I will see you again one day my friend, until then stay true. I love you.
