“ *Sending all our love and prayers to you all during this most difficult time. Auntie Sofie will be missed greatly! I can vividly remember the visits to TX in the summers as a child and laying across her in the back of the minivan during our long rides.*

“ *I have many memories of Mimo but my all time favorite was when she came to California to visit and Jenny brought her over to my husbands Grammie's house in Fremont for a tea party. We had Jenny's kids and my nieces who were all elementary school aged and both Mimo and Grammie were first grade teachers if I remember correctly. They shared an appreciation for family and children. The pure joy on their faces is an image that I will never forget. Grammie was already suffering from memory loss and declining health, but in that moment Mimo was so present and able to connect with her in such a meaningful way- and that sums up Mimo pretty perfectly. Always able to make a meaningful and long lasting connection. Mimo will always be remembered.*
