“ I know that I'm more than 2 years late with this note, but if just one family member reads this, it will have been worth writing. Miss Tielke was my first boss in the radio business. She was sweet, kind and a good businesswoman. She hired me in September of 1981 at KFRD. We fell out of touch over the years, but I'll never forget the day around 2008 that she called in to my sports talk show in Houston to tell me that she had kept track of my career and that she was very proud of the broadcast professional I had become. She reluctantly let me go in 1982 for a bit of unprofessional behavior, but she said that she always knew that I had the potential to succeed. That meant a lot to me. She meant a lot to me and I'll always regret not staying in touch. In November, I will be inducted into the Texas Radio Hall of Fame (the single biggest surprise of my life). Her constant encouragement and steadfast belief in me played a big part in setting me on the road to success. Thank you and God bless you, Miss Tielke.

“ I am so sorry to hear of Sophie's passing. She was often on my mind as she and Mom were so very close. My thoughts and prayers are with you all during this time of transition. Sophie is in great company in Heaven and probably playing a hand of 42 as we speak.

Love to you all,

“ While I did not know Mrs Oldag well, I do know three of her children and all of them reflect how well they were raised by her. As we all know, most children are mirrors of how they are treated and taught by their parents and grow up to be wonderful adults. That is certainly the case with her children. Kenneth, Brenda and Thomas must have given her much pride and love everyday of her life.
