“ *Mr. Cepak was a true gentleman and kind person. He lived across the street from my Grandmother. She once fell and lay in her yard for 5 hours until Mr. Cepak came home and found her. He saved her life most likely. I recall him driving to and from Victoria every single day for weeks while Mrs. Cepak was in rehab. He used to come into the store after these daily drives and visit with us, namely my husband who is a retired diesel and marine mechanic. They traded many of stories. Mr. Cepak, you will be missed, they don't make them like you anymore.*

“ *Lillian, Chris, and Joey,
Have thought of each of you so much through out the years since
being neighbors in Rosenberg.
The love in your family always stood out. What a gift to each of you
to one another.
Lillian I recall you showing me your wedding dress and the love for
Steve that shown in your eyes then could still be seen years later.
The boys always had such sweet and caring characters.
Feel sure it is still the same today.
Not hard to see it all began with mom and dad sharing and showing
their love to each other and to their children.
Such good memories of Steve and his smile and again his love of
his family.
Our thoughts and prayers are with each of you during this time of
great loss .
Love and Prayers,
Delane and Ken*

“ Mr. Capak was a true gentleman, truly cared about others, and loved his family dearly. I got to know Mr. & Mrs. Capak when they moved to Yorktown, and I worked at the bank then. I will always remember my talks with him about the Lavaca County area since I was born there, too, as well as cherish those ceramic brown eggs they made for me reminiscent of my love of chickens. He was always interesting to visit with when I saw him in church or in town. May God give each of you, and Mrs. Capak, the strength to endure your loss. I know each of you have precious memories to cherish of God's newest angel: your Dad and Grandfather. May God bless each of you!
