“ Some of my earliest memories of Steven are the times I babysat him & his brothers Michael & Kevin when I was a young teenager. I know he will be missed by all his family members & my heart goes out to all of them. Love, cousin Judith Aubin

“ I worked with Steven at job lot for years. He would be the first to ask if I was ok and do you need help. Always so helpful. We had a lot of good times and did a lot of laughing. He was the best person to work with. When he told me he was moving away I was sad because I would miss him. And I did and now going to miss him even more. We would text each other on holidays. Going to miss that too. Rip Steven. Linda peroni
