“ My deepest sympathy for the family. During this difficult time, may you reflect on the Holy Scriptures comforting promises. One day soon, “no resident will say: I am sick” - Isaiah chapter 33 verse 24. We also yearn for the day when the aging process is reversed - Job chapter 33 verse 25. We yearn to see our dear loved ones again. Jesus promises, “the hour is coming in which all those in the memorial tombs will hear his voice and come out” -John chapter 5 verse 28 and 29.

“ I was, as always, shocked and saddened when I learned of the death of an old friend of mine, particularly when that old friend is younger than me. I play with the TRIUMPHS, and Sue Clark was almost as integral a part of the early years of the TRIUMPHS as was anyone associated with the Band. She was, no doubt, one of our biggest fans and supporters, and we were never surprised when she would turn up at some far away venue don't know whether or not her parents knew about all of these to see us perform. And on a number of occasions, during those early 1960's, she would have her 8mm movie camera, and filmed a number of sequences of the band performing.

So, I have known Sue longer than Kirby has. And I was really glad when I learned that Sue had married Kirby Schultz, as I had attended Needville High School with him, and he was a good guy. Hard to believe that both Kirby and I have outlived Sue, because I'm sure that we both would have bet on the opposite.

But, unfortunately, as John Lennon once said, "Life is something that happens to you while you are busy making other plans," and Life very often gives us a slap in the face or a kick in the pants. All we can do is just forge ahead, and keep on trucking.

Hang in there, Kirby, as the kids and grandkids will make it all the easier to survive this very difficult time. And at the next TRIUMPHS practice or performance, we will lift our glasses and give a toast for Sue....

“ Kim, I am so sorry to hear of the loss of your mother. You were a great person and friend in high school and I know it has been quite a few years since I have seen you, but it breaks my heart to know what you and your dad & brother are feeling right now. The last time I talked to your parents , and when I asked about you, your mom just went on and on- showing the pride she had for her family. Since our dads have always been good friends, I just want all of you to know that my family and my parents are keeping you in our prayers. Remember-don't give up-Rangers never quit!

“ Sue will be greatly missed here at the NewFirst El Campo Branch! I have had the honor of knowing her and working with her side by side for 3 years. I can still hear her voice in my head as I have called her on the phone a million times a day to fix a problem or "make something make sense to me" as I would ALWAYS tell her. To hear her smile when I would ask about her bowling trips was the highlight of my calls when she finally came back from vacation! I find myself at times wanting to dial her extension just to hear her voice again..She was a wonderful person and I will always have great memories of her. She taught me alot. May GOD Bless the family and friends she leaves behind and take comfort to know we will all see her again soon!

“ To the Schultz family, we are so very sorry for your loss. Sue was a wonderful person, and I certainly enjoyed visiting with her when we discussed insurance! Especially when Steven started to drive. It's hard to understand why, but since God decided to take an Earth Angel, and make her a Heaven's Angel, you all will be watched over with love. “ Joyce,
My thoughts & prayers are with you and Sue's family this weekend. Roxie Ann has sent me your Emails during Sue's fight to live. I know you & her family have done all you could for her. I pray that you will now find peace in remembering all the good times. I think fondly fo those times "way back there" when your mother kept me after school from 1st-3rd grade. Sue & I would pretend we were girlfriends of Roy Rogers & Gene Autrey--on your front porch! We also watched Arthur Godfrey on your TV. We Nelsons didn't have a TV, so that was special! Thank you for keeping in touch with Roxie Ann and God bless!
