“ *We are so grateful to have known PawPaw. When he came to visit us in Washington to see Mount Rainier it was so nice to see how happy it made him. Willie told us it was on his “bucket list” and it was an honor to be able to experience that with him. He was always so warm and welcoming and kind like we have known him always. Heaven gained a true Angel for sure. I’m so happy he was able to live out his last days around family, he was so lucky to have family like you!*

This news is the first time I had tears coming out of my eyes since my grand son stepped on my toes right after my surgery. I loved Joe like a brother. I never meet anyone that didn't like Joe. He was the nicest person I met at TI. Save me a space beside GOD ❤️
