“ *I will miss him. He always made me feel so special. I love him and I know he loved me too. I look forward to seeing him in paradise.*

My memories run long of times with "Dad" but most importantly he set an fine example of devotion to God, love for his wife and children and generosity of spirit. A gentle giant with such a kind heart.

“ *Dear Bertha and Family,
Bro Beechler brought out a lot of good things about Thelbert in the talk today. But the important thing was that he was a spiritual man. So we know that he is safe in Jehovah's memory. May the God of all comfort help your hearts heal. Meanwhile cherish the memories...
Love, Mike and Maria*

“ I will never forget all the wonderful things you did for our family, the kindness, consideration and generosity you showed to all, the gatherings you would have for the congregation, the classic country western music playing, and the back road hay rides with your tractor, your hospitality with goodie nights after Bible Study at your house, always driving your suburban in service. . Thank you for leading the Grand March at our wedding. Until we hear your music again, prayers and hugs to dear sister Bertha and all the family.

“ *Years ago I remember going to the book study at the Blume's house and going in field service with them a handful of times in the red suburban. It's comforting to know that he is resting in Jehovah's memory. I know a brother that likes to think of his loved ones that are not with him as being on a cruise.. He can't talk to them, but he knows they are safe and he will see them soon.*

Condolences to the family.

“ In answer to my prayer 29 years ago, Jehovah led my family & I to Br. Blume's doorstep. Lisa was 6 & Feli was 2. We were moving from Brazoria to Richmond. My husband wasn't in the truth then & I prayed to Jehovah that he help us find property that wouldn't be too far from the Kingdom Hall. I had no idea where the KH was & we were driving down Mennonite looking for property. That's how we ended up finding the Blumes. Br. Blume gladly gave us box elder trees to plant. We were privileged to attend Book Study at their house for many years! He loved to take the congregation kids on hayrides & my family has fond memories of his loving willingness to lead the grand march at Lisa's wedding reception. He always called my husband Brother Ramirez even years Before he was baptized! We will all miss our dear Br. Blume. He is in a very safe place, Jehovah's memory!

“ Words are to few and cannot express the feelings you and I shared. You are my friend, my buddy, and partner in life. I loved the time we had together and I only wish we could have had more. I will miss you ever so much, but will always remember what time we had to know each other. Sleep now Theibert, for soon Jehovahs glory will reign over the peace all of us are starving for, and we will walk together once again.
