“ Lisa and Janet,

*I'm so sorry to hear about your dad.*

*Lisa, when Jill was just a tiny baby, you brought your mom and dad over to see her. Your dad said something that Mark still quotes every chance he gets. They were talking about all the parenting advice and books on the subject. Mark was thinking it all sounded a little overwhelming. Your dad said, "well all you really need to do is "love 'em, feed 'em, and keep 'em clean". I think he pretty much had it down !*

*I know he felt lucky to have had the two of you and that y'all felt the same about him.*
