

Theodore Joseph Brown

May 24, 1970 - April 3, 2021

Theodore Joseph "Ted" Brown, 50, passed away Saturday, April 3, 2021. He was born May 24, 1970 in Petoskey, Michigan to Charles Walter Brown and Sandra Jean Swanson Sienicki. Ted was a member of Faith United Methodist Church and served his country in the U.S. Air Force.

Survivors include his wife of 24 years, Kristen Elizabeth Denney Brown, 2 children, Claire and Blake Brown, sister, Brigitte Mangione, and husband Tom, nephew Trent Frost along with a host of other loving family members and friends.

Ted was always looking for his next adventure. From flying high in C130's in the Airforce, hitchhiking to Alaska to work on a Salmon boat, or deciding to leave his 20-year Oil & Gas career to live out his dream of cooking as a profession. Ted was always planning the next trip and wanted all his friends and family to join him. His only problem was finding a RV big enough to hold them.

What Ted cherished most was family. Ted and Kristen attended Junior High and High School together but did not realize they were soul mates until paths crossed again after Ted left the Airforce in 1996. They fell head over heels in love with each other and got engaged after only 2 weeks of dating-and married less than 6 months later. When you know, YOU KNOW! Ted brought Kristen into his world of adventure which initially tested her comfort zone.

Weekends were filled with BBQ cookoffs, fishing tournaments, camping trips, NASCAR races, zip-lining in Costa Rica, or roaming the streets of The Big

Easy all night long with the best of friends. This only served to strengthen their love for each other and their resolve to share their lives. Kristen will always cherish the memories made.

The biggest experience and the joy of their lives were the births of their 2 children (Claire and Blake). Ted treasured his children. He was so proud of them and enjoyed watching them grow. He loved coaching Blake from the stands in football and dancing with Claire and the Belles every year. He always made sure they had the best childhood possible, being tough when needed but mostly making sure they experienced all this world has to offer loving them along the way.

Ted was very active in his community and belonged to many civic organizations like CCA (Coastal Conservation Association), Freemason's, VFW as well as a member of the Risky Briskets Cookoff team where his 2nd place Chili became famous at Ted-O's Burgers. He was always ready to donate his time and energy for any cause.

A memorial service will be held at Faith United Methodist Church in Richmond, Friday, April 9, 2021, at 10:00 A.M.

“ Always always a really great guy. I've known Teddy for a long. One of my fondest memories is when we all lost electricity in our area during Ike. I ran into Ted and we commiserated about the heat, etc. Ted and Kristen got theirs back and I got a call. Ted inviting Lorraine and me over for a cookout. Wouldn't take no for an answer. Just wanted to make our day better. And we all know Teddy Brown could cook.

Whenever I saw Ted he'd visit with me. Not as Steven's dad but as a friend. Wanted to find out how things were in Dave's world and tell me what was new in his.

Ted was a rare individual who was at peace with the world. I'll always have a tear in my eye and a smile on my lips when I think of you Ted. I'm better for having known you.

“ I met Ted in jr high, he was always a happy go lucky kid, never judged. He was a good soul. He never from what I seen met a stranger. He was Texas pure and true. He definately didnt deserve this fate. I didnt make the 30th classs reunion but I still remember him and our interaction from the 25th. The world is a darker place without him. God speed Ted Brown. You have definately reserved your spot in heaven. I cant wait to see you on the other side old friend.

“ Kristen and Family - First of all I am so sorry for your loss and be assured that you are being prayed for by many. I have known Ted for many years first as a customer but much more importantly as time passed he became a good friend. Ted was one of those unique individuals that never had anything bad to say about anyone which is something we all should try to emulate. God Bless.
