“*Beatrice, Penny and the families of the Blinka sisters, I remember the good times on Lawrence St. growing up. So much has happened since then. I lost both my parents in the past four years. We, Beatrice's friends, all looked up to Theresa, the older sister. My thoughts and prayers are with you all.*

“*Penny, Bea and Theresa's children and husband and family, Theresa was truly a lovely lady. I always felt welcomed at the Binka's family reunions. Theresa was always there with a big hug, and mealtime prayer. Sorry I could not make her funeral but I was out of town. My thoughts and prayers are with you all at this time. May God be with each of you during the days ahead, and as each day passes when each of you remember her she will be with you always. God Bless, Betty French Stewart*

“ Julie and Jeff,

I have many wonderful memories of family times at the "lake" with your Mom, and lots of other family, when the two of you and my children were very young. Those were precious, wonderful days.

I will always remember Theresa's willingness to help, her delicious food, and her love for the two of you.

A lot of things change through the years -- however, a mother's love for her children only grows stronger. I feel certain that was also true of Theresa's love for the two of you.

My prayers are with each you and the rest of Theresa's family during this time of loss. May God strength uphold you.

“ Julie and Jeff: I'm sorry to hear of your Mom's passing and regret that I cannot be there for the service. I am, however, thinking of you from Arizona.

I have many fond memories of birthday parties, sleepovers, holidays, church, etc. from when we were young and growing up together. I remember always loving the smell of your Mom's sweet perfume, and the fact that you two were the center of her universe.

Your Mom and Grandpa Milton are together again and at peace. And Julie, I'm certain they're both elated that we have reconnected after all this time.

*I love you both,
Natalie*
