“ *Peggy, please know you are in our thoughts and prayers at this very sad time for you and your family. Tommy was a special friend with our family as we all were growing up out in the Oil Fields of Standard Umsted and Joyce City. He and my brother Herbert Phillips were close friends, hunting, fishing and spending time together. O L also got to know Tommy after Standard Umsted school consolidated with Smackover and sends his sympathy for you and your family. May God bless you always.*

“ Pawpaw your stories of Navy life changed my entire life. I followed in your footsteps and found many happy years serving in your Navy on Aircraft Carriers that always held a special place because Pawpaw did it too. Those stories and the long talks as a child helped mold me into the man I am today, not perfect by any means but proud of the things Ive done and hopeful that someday I can be half the mentor, man, and educator you have been to every person you ever met. I am proud to call you Pawpaw, friend, and shipmate. i love you and will miss you.

“ I'm sorry that I haven't kept in closer contact. From the first time that I met Tommy, I liked him a lot. He was one heck of a guy and was married to a beautiful lady. Scott, my thoughts are with you in this time of sorrow.
